

## Welcome to Diapers Plus Inc.

### Who We Are

We are a diaper service that seeks to continue the tradition of using cloth diapers with positive effects to our economy, value, and community. We encourage the use of cloth diapers by providing a convenient and economical alternative to disposable diapers.

### What We Have to Offer

1. A community oriented service:
  - We contribute 10% of annual profits to support child development programs within our community.
  - We seek to use products manufactured by local merchants, without compromising quality and economic viability.
2. High-quality customer service:
  - Delivery and pickup are conducted twice weekly; regular pick-ups mean fewer stinky diapers and more comfortable babies.
  - Direct contact with owner/operator to address quality or service concerns.
3. Iron Clad Bottoms Guarantee:
  - We ensure delivery or we credit the cost of a week's service and the cost of a week's supply of disposable diapers.
  - If at anytime you are dissatisfied with your service, you may terminate your service plan and receive a prorated refund of the unused portion.

### Rental Products

Our diaper service utilizes cotton (high absorbency) and hemp (durable natural fiber, high absorbency and naturally anti-microbial) prefold diapers combined with waterproof, leak resistant covers.

### Service Plans

Our service plans include the following:

1. Demonstration and fit assessment at the client's home prior to delivery date.
2. Pick-up and delivery twice weekly. Twenty-four-week service plans are allowed one out-of-sequence emergency request.
3. Diaper sizes may be customized to accommodate the needs of a rapidly growing child.
4. An optional starter package (diaper pail, a liner package and a wet/dry bag for diaper storage at and away from home) for \$57.00.

Four-Week Service Plan:	up to 80 diapers & 36 covers per week - \$ 80.00
Twelve-Week Service Plan (5% off):	up to 80 diapers & 36 covers per week - \$ 228.00
Twenty-Four-Week Service Plan (10% off):	up to 80 diapers & 36 covers per week - \$ 432.00

*\*Additional 10 diapers and 3 covers may be requested at \$3.00 per week*

### **Retail Products**

Visit us at [www.diapersplusinc.com](http://www.diapersplusinc.com) to purchase diapers or other accessories. Service plan client orders will be delivered free of charge with regular deliveries; a commercial carrier will deliver all other orders.

### **How Can You Help**

1. Use our cloth diapers only on baby's bottoms.
2. Change diapers regularly. To fight diaper rash, keep those bottoms dry.
3. Tell your neighbors. The more cloth diapers we use, the healthier our environment.
4. Removal and flushing of solid waste from our diapers is not required, but will be much appreciated.  
*Little Known Fact: Solid waste should be removed from all materials (including disposable diapers) and flushed prior to discarding as household garbage.*
5. Let us know what you like and don't like. Continuous improvement makes for a happy customer and an efficient service.
